

Consumer Health Data Privacy Policy

Effective Date: 6/20/24

This policy is provided pursuant to the Washington My Health My Data Act (MHMDA). It applies solely to "Consumer Health Data" as defined by Washington law.

1. Categories of Consumer Health Data Collected

We collect the following categories of data that may be linked or linkable to your past, present, or future health status:

- **Individual Health Conditions/Treatments:** [e.g., Information regarding specific health conditions or medical interventions.]
- **Health-Related Measurements:** [e.g., Body temperature, or biometric data.]
- **Precise Location Information:** [e.g., GPS data that could reveal your attempt to acquire health services.]
- **Inferences:** Information derived from non-health data that identifies your health status.

2. Sources of Collection

We collect the data described above from the following sources:

- **Directly from you:** When you input information into our website/app.
- **Automatic Collection:** Through cookies and tracking technologies during your interactions with our site/app.

3. Purposes of Collection and Use

We collect and use Consumer Health Data for the following essential purposes:

- To provide the services you have requested.
- To provide services in the event of an incident requiring external healthcare providers or emergency services.
- To maintain the security and integrity of our systems.

4. Categories of Shared Data

We may share the categories of data listed in Section 1 with the following:

- **Service Providers:** Entities that process data on our behalf for business operations. [e.g., Child Pilot.]

5. Specific Affiliates and Third Parties

In compliance with MHMDA, we share Consumer Health Data with the following specific affiliates:

- **Child Pilot**
